Principal's Message

Dear Students and Parents,
Welcome to the Institute of Pharmacy, Deopur, Dhule (Maharashtra), which has been started with a vision to achieve global excellence in Pharma academics. Proximity with Dhule, which is one of the most progressive regions of India, adds an edge to our efforts through healthy industry-institute linkage as the emerging trends in the field of Pharma require special technical and managerial skills coupled with appropriate training, hands on experience and wide exposure to the state-of-the-art practices.

In addition to a well-structured yet flexible curriculum, our institute provides ample opportunity for active research collaborations with Pharma Industries to equip our students to develop a strong set of competencies desired in today's hyper-competitive world. Hence, the Institute is constantly seeking collaboration with some of the leading Pharma Industries across the globe and preparing itself to impart education in cutting edge technologies including Clinical Pharmacy. While doing so, the future sustainability of mankind is being always kept as the uppermost objective.

In order to achieve our top most agenda i.e. 'Proud to be Pharmacist', the institute is making every effort to provide a sound foundation in the Pharma field to its students so that they can contribute towards better and healthier tomorrow.

As a Principal, I take this opportunity to invite you to join our endeavor in shaping the bright future for Pharma world and solicit participation from all those who are concerned and associated with the Sustainable Development. To learn more about us, you can always browse our website or visit our campus, where I will personally be there to welcome you. With best wishes,

Principal: R. K. Bedmutha
